BAHADUR, G C S I,

MAHARAJA OF MYSORE

The memorial of residents of Bangalore City and of the Civil and Military Station humbly sheweth —

That in connection with the Industrial Exhibition to be held in the Cubbon Park from the 29th March to 2nd April, under the auspices of the Bangalore City Municipality, it is proposed to introduce Liquor Bars, nautch by dancing-girls, and Gambling Tables Against this obnoxious proposal a memorial signed by representatives of all classes and communities has already been submitted to the Deputy Commissioner of Bangalore As no reply has yet been received from the Deputy Commissioner, your humble and respectful memorialists appeal to your Highness to forbid the Municipality to add the objectionable features above referred to to the Industrial Exhibition, for the following among other reasons —

1 The use of intoxicating Liquor as a beverage is prohibited both among Hindus and Mahomadans by their Sacred Scriptures

2 The drink habit is destructive of happiness, physically injurious, and detrimental to the moral and material welfare of individuals and nations It is at the same time the most potent and fruitful source of crime, poverty and misery in every land

3 The highest authorities in the Army and the Navy deprecate the use of Liquor in their respective services and very strongly promote and encourage abstinence

4 The most eminent medical authorities also declare that the use of alcohol is not only unnecessary, but most detrimental to the health and well-being of the human system even when used in small quantities

5 The two other obnoxious features proposed to be introduced into the Exhibition need hardly be commented on As sources of demoralisation they very properly receive the reprobation of all decent, clean-minded people, interested in the well-being of the present and the coming generation

6 Schools and Educational bodies which had promised co-operation in making the Educational Exhibition a success have withdrawn their promise of co-operation because of the proposed introduction of elements that are subversive of Education and Morality

7 As the Exhibition will last through the Holy Passion Week, Christians of all denominations will feel the presence of the abovesaid objectionable elements doubly obnoxious at a time of special sacredness and solemnity

8 That the toleration and encouragement of these practices will be a blot on the fair name of Mysore and [redacted] the enlightened and progressive Government of your Highness who is widely recognised as a leader in all that makes for the moral, material and spiritual advancement of the people

9 In view of the above considerations we humbly approach your Highness with our earnest appeal at your Highness will be graciously pleased to prohibit the Bangalore City Municipality from including the three elements above referred to in the coming Industrial [redacted]ion. and in all similar
